River and stream; River and shoreline indefinite

Pond; Bund; Sluice; Underground stream

Reservoir; Dam; Water pipe line

Service reservoir; Canal

Phar; Wharf; Submarine contour; Breakwater

Lighthouse; Sand; Rock

Beacon with light; Beacon without light

Boat with light; Boat without light

Mud; Rock; Swath; Coral

PROJECTION

Cassini Soldner Rectangular Baffler Projection

Reference: General

Origin: 101°16.528' N

Co-ordinates of Origin: 102°57'10" E

Scale: 30,000 metres

Grid interval 1000 m numbered at every 10,000 m

Grid Convergence and Magnetic Declination Negligible

This map is NOT an authority on international or other boundaries

Compiled by the Mapping Unit from the following:-

(a) Air photography of Singapore 1971

(b) Series L 7010

(c) Series T 610 sheets 3745, 3845 edition 1 0505

(d) Field revision of major details in Singapore up to 1973

(e) Sounding data in metre from Hydrographic Dept. PSA, 1973

(f) Partial revision from air photography 1977

7000 1975
